Match Day

With a record-breaking number of sellouts in 2014, the crowd at the Horejsi Family Athletics Center creates a true home court advantage. In fact, seven of the eight home Big 12 conference matches sold out last fall. The \$3.8 million project was completed shortly after the conclusion of the 1998 volleyball season and was dedicated before KU's season opener against UMKC on Sept. 1, 1999. Located between the Wagon Student Athlete Center and Hoglund Ballpark, the 16,500-square foot facility seats 1,300 fans in the volleyball-only arena.

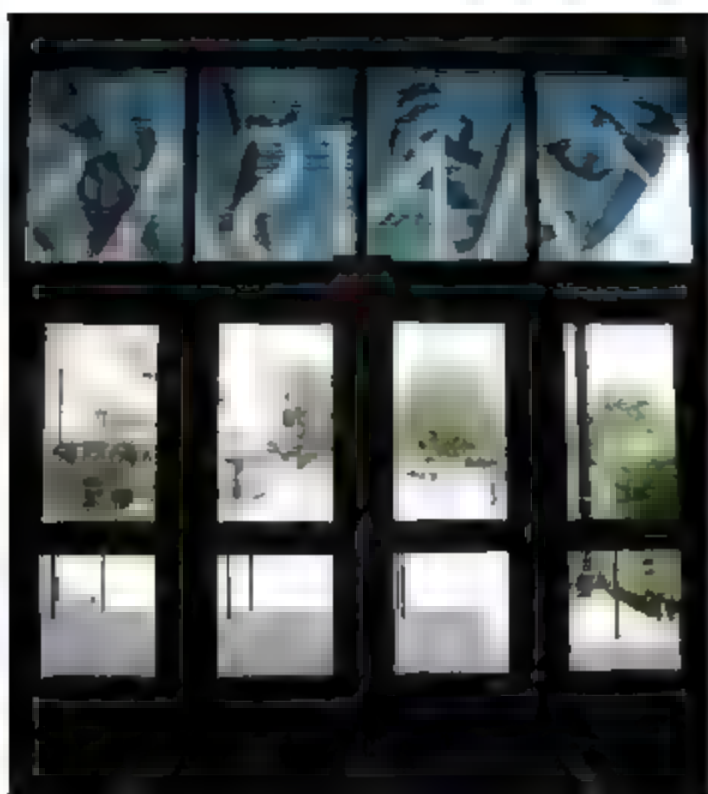

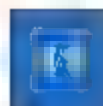

KANSAS SOLD OUT A RECORD NUMBER OF HOME MATCHES LAST SEASON. THE ATTENDANCE ROUTINELY RANKS IN THE TOP-30 IN THE NCAA.

DEVELOP STRENGTH

Strength is the foundation of all skills on the volleyball court. In order to develop a higher technical model of skill or a higher level of explosive power (in any usable form), a higher level of strength must be acquired to support the skill progression and progression of power output. Total body general strength must be developed before any specific type of strength can begin to develop. General strength is needed at all positions and is the prerequisite for any sport or position specific type of strength.

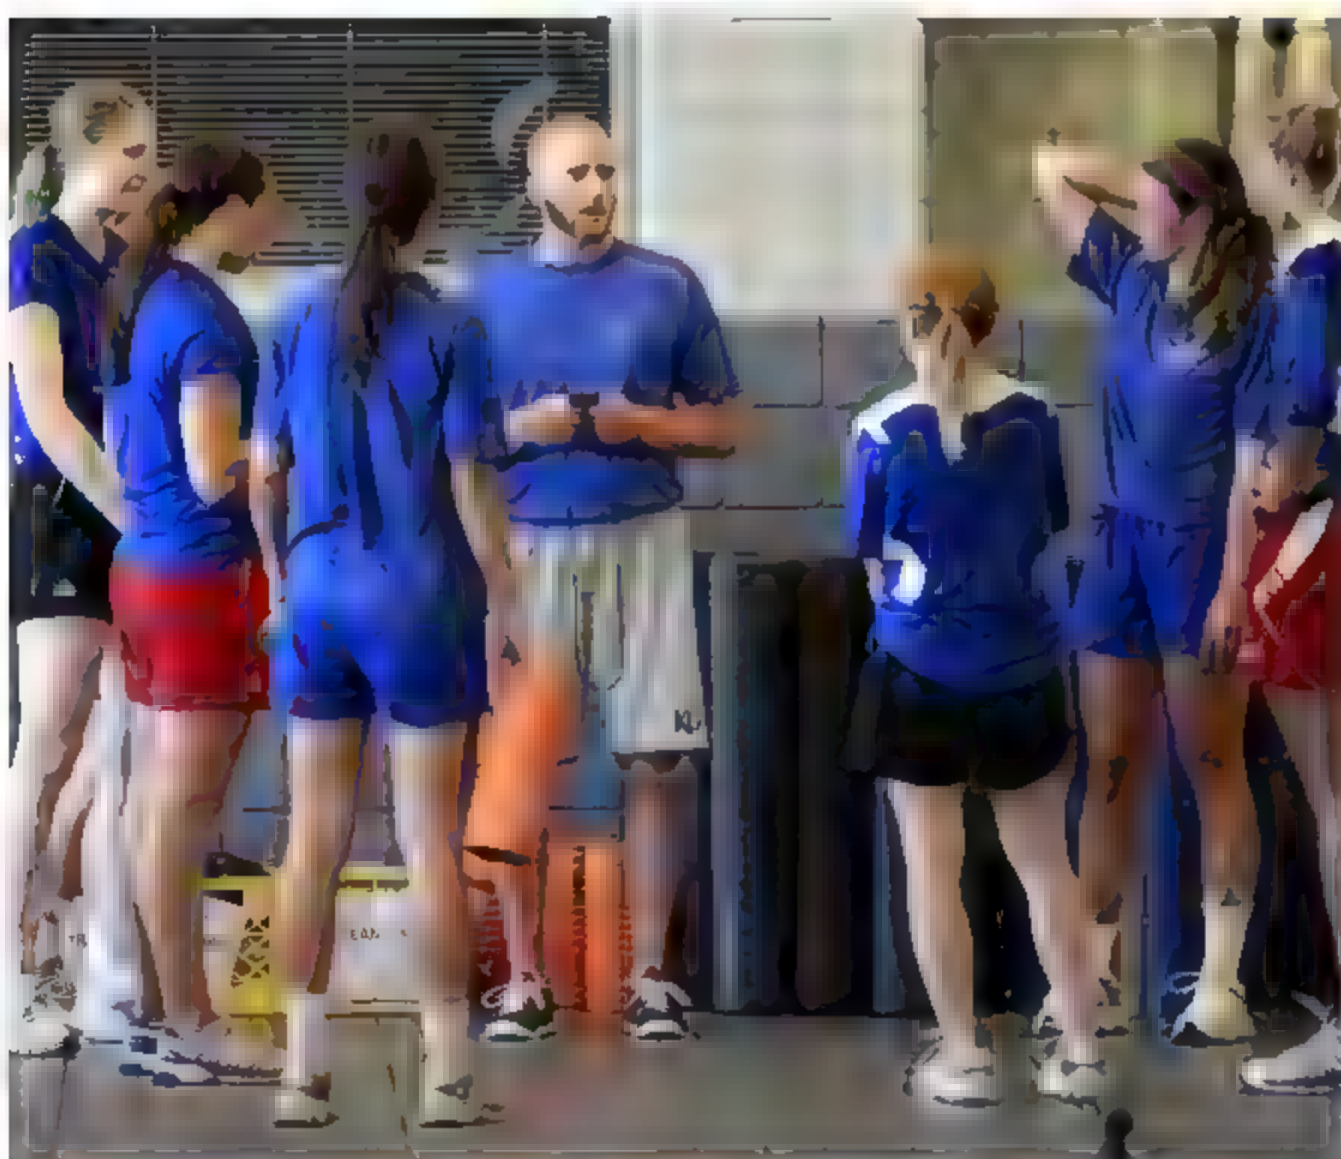

DEVELOP POWER

Power = Force x Velocity (Strength x Speed)

Volleyball is all about optimal combinations of technical skill and power. In order to express power in the form of movement or sport skill, the body must first develop the ability to generate power. Once a basic level of strength is acquired, student-athletes begin to develop power in the weight room using a variety of methods including medicine ball throws, plyometrics, olympic lifts and sprinting.

DEVELOP CARDIO FITNESS

Energy is at the root of all strength, power or sport skill. The better your body becomes at delivering energy to the system, the more it is able to train and practice at greater intensities without becoming fatigued. Volleyball is a high intensity sport with short bursts of power, high intensity interval training will have a greater affect on performance than long, slow distances.

Sports Medicine

The University of Kansas sports medicine staff and physicians are constantly on the cutting edge of injury prevention and rehabilitation. Using such state-of-the-art equipment as aquatic rehabilitation pools and monitored rehab systems, as well as a multitude of hands-on techniques, the sports medicine staff at Kansas is able to implement programs for its athletes which have resulted in significantly faster and safer return to competition.

1. MAGGIE MARON

Maggie Marion is entering her first season as the full time athletic trainer with the Jayhawks. She received her bachelor's degree from East Carolina University in 2013 and her master's degree from the University of Kansas in 2015. Before joining the women's volleyball staff, Maggie worked as a graduate assistant athletic trainer for the Kansas women's swimming and diving team.

2. DR. LARRY MAGEE

Dr. Larry Magee has worked since 1988 as a team physician at Kansas. Magee currently holds the title of Head Team Physician, supervising the departments of Sports Medicine, Strength and Conditioning, Sports Nutrition and Sports Psychology.

3. DR. LUIS SALAZAR

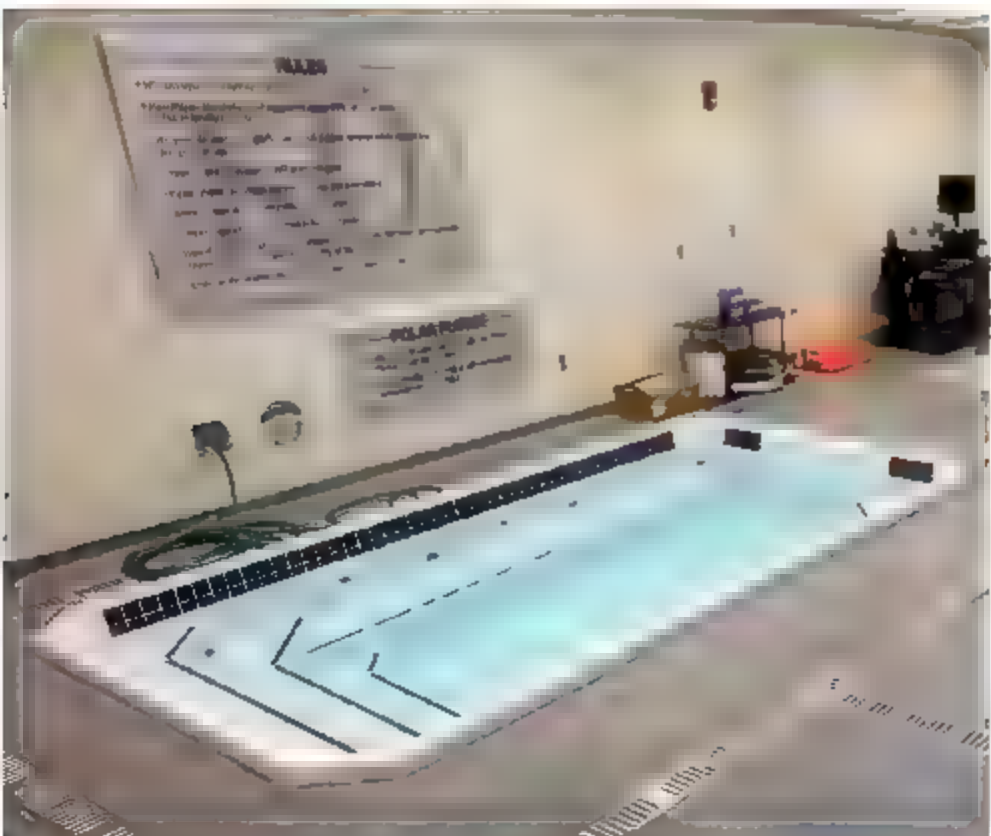

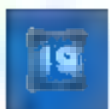

Dr. Luis Salazar received a bachelor's degree from Indiana University in 2001, a graduate degree in 2003 from Indiana University School of Medicine and a graduate from the University of Kansas School of Medicine in 2007. He has experience working with gymnastics, rugby, wrestling, fencing, football, diving and volleyball.

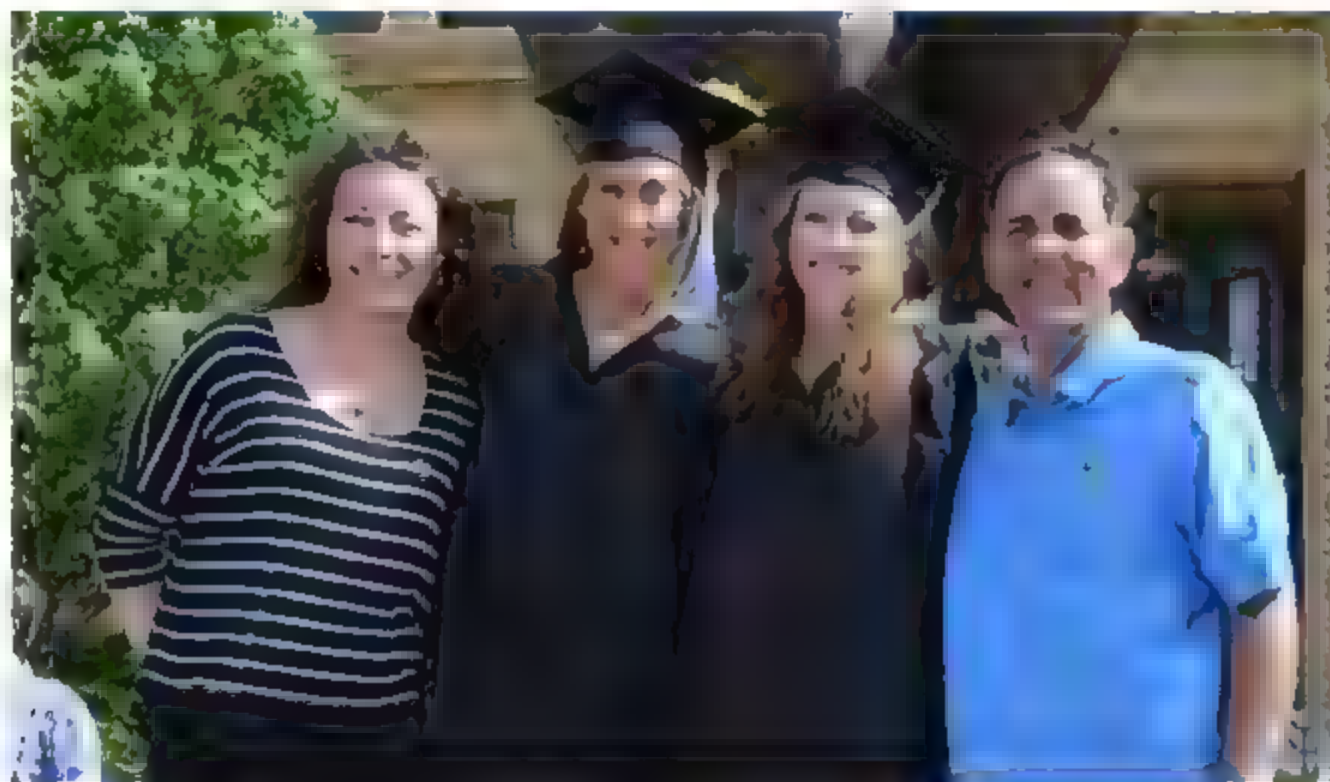

4. POLLY SHERIDAN-YOUNG, PA

Polly Sheridan-Young is the first point of reference for Marion regarding medical conditions with the team. She graduated from William Penn University in 2005, where she played softball. She earned her master's of physician assistant studies from Butler in 2009.

Academic Support

ACADEMICS

The Student-Athlete Support Services staff focuses all collective resources in support of the academic, personal and interpersonal development of each individual it serves. As part of its commitment to the academic success of its athletes, Kansas Athletics completed a new academic complex in the summer of 2009. The facility features individual study rooms, a computer lab and offices for all Student-Athlete Support Services personnel.

KANSAS ATHLETICS TUTORING PROGRAM

- Tutoring is available to any student-athlete who needs academic assistance.
- Approximately 100 tutors work for Kansas Athletics, many of whom are instructors or teaching assistants at KU or retired educators. Some tutors are undergraduate students who have excelled in their respective subject areas.

Traditions

HAIL TO OLD KU!

1. THE NICKNAME: JAYHAWK

The University of Kansas is the home of the Jayhawk, a mythical bird with a fascinating history. Its origin is rooted in the historic struggles of Kansas settlers. The term "Jayhawk" was probably coined about 1848. Accounts of its use appeared from Illinois to Texas. The name combines two birds - the blue jay, a noisy quarrelsome thing known to rob other nests, and the sparrow hawk, a stealthy hunter.

2. THE ALMA MATER

In 1891, professor George Barlow Penny searched for a school song for the Glee and Mandolin Club to sing on its tour through Kansas to Denver and back. No one responded with an original song in answer to his appeals. Just before departure he thought of the Cornell song "Far Above Cayuga's Waters." Hastily changing a few words, he gave it to the glee club men to sing on the trip. He did not expect the song to be used after their return, but "Crimson and the Blue" still goes on. The music is not Cornell's but an old English folk tune, "Annie Lisle."

3. CAMPANILE HILL

Campanile Hill forms the picturesque backdrop for Memorial Stadium. On a sunny fall Saturday the "Hill" is transformed into a congregating place for watching Jayhawk football, sunning and barbecuing. Potter Lake, just to the southwest of Memorial Stadium and at the bottom of Campanile Hill, adds to the beauty of the Kansas campus.

4. THE K RING

The K Ring symbolizes a uniquely shared experience between generations of varsity letter winners at the University of Kansas. As a Jayhawk you are expected to uphold tradition and retain the characteristics of a champion while continuing the create your own legacy.

5. WAVING THE WHEAT

Since the early days of KU sports, it has been a ritual of Jayhawk fans to "wave the wheat" following every Kansas scoring drive in football. The tradition also extends to Allen Fieldhouse where fans "wave the wheat" when an opponent fouls out and at the conclusion of every Jayhawk victory. The ritual consists of fans waving their arms in the air, an activity which, when done by a large crowd, resembles a breezy Kansas wheat field.

6. THE ROCK CHALK CHANT

The Rock Chalk Chant has been the battle cry of KU fans for more than 80 years. This strange traditional chant, which is among the most famous of all college cheers, was started by E.H.S. Bailey, a professor of chemistry. On May 21, 1886, Bailey submitted the cheer to his club.

"GIVE THE WORLD THE BEST YOU'VE GOT AND THE
BEST WILL COME BACK TO YOU."

LOSING	
Chelsea Albers	Sara McClinton

On the brink of starting his 18th season at the helm of the Kansas volleyball program, head coach Ray Bechard has listened to the 'unprecedented' talk all preseason. The two-time Big 12 Coach of the Year knows that 2015 could be the first time his Jayhawks make four-straight NCAA Tournament appearances and that his 300th KU victory is around the corner. Streaks and milestones are nice — but Bechard is interested in what his team has yet to accomplish.

"Unprecedented is something we talked about," Bechard said. "We have not won a Big 12 Championship. We have not gotten past the Sweet 16. So there are things to achieve out there, but I think you can't lose sight of what an honor it is to be selected to the NCAA Tournament, how hard that is. We aren't going to get ahead of ourselves there. A few years ago the goal was (getting into) the NCAA Tournament. Now that's still

one of the goals, but it's one on the way to some of the other things we are trying to accomplish."

One year removed from breaking the home match sell-out record, the Jayhawks will welcome their rabid fan base to the Horejsi Family Athletics Center 14 times this fall. Leading the pack is senior Tiana Dockery, a dynamic outside hitter with the chance to become the first player in program history to play in four NCAA Tournaments.

Returning starters Tayler Soucie and Cassie Wait head up a deep junior class. Soucie led the Big 12 in blocks per set (1.40) last fall and earned All-Big 12 First Team honors. Wait started all 31 matches at libero and became one of three Jayhawks in history to post more than 500 digs in a season. An even deeper sophomore class is led by starting setter Anise Havili, who earned All-America Honorable Mention honors after breaking the KU freshman assists record. The 2015 Jayhawks are fully embracing the unprecedented road laid out before them.

"Some of their goals were pretty lofty, but let's go for it," Bechard said. "The thing we've got to understand is there are teams in our league whose goal is to beat Kansas, where five years ago nobody talked about Kansas. Everybody just knew they had beat Kansas twice to get where they were going to get. Now, I am sure there are teams in our league that say we have to finish in the top-three and that means we have to beat Kansas."

OUTSIDE HITTERS

Whether it be on the right or left, the Jayhawks took equally large hits at the conclusion of the 2014 season and the graduation of the All-Big 12 duo of Chelsea Albers and Sara McClinton. The pair was KU's first and second-leading scorers in 2014 with McClinton finishing sixth all-time in kills. On the right side, Albers not only led the team in kills (343), she also ranked

second in blocks (97) and digs (316)

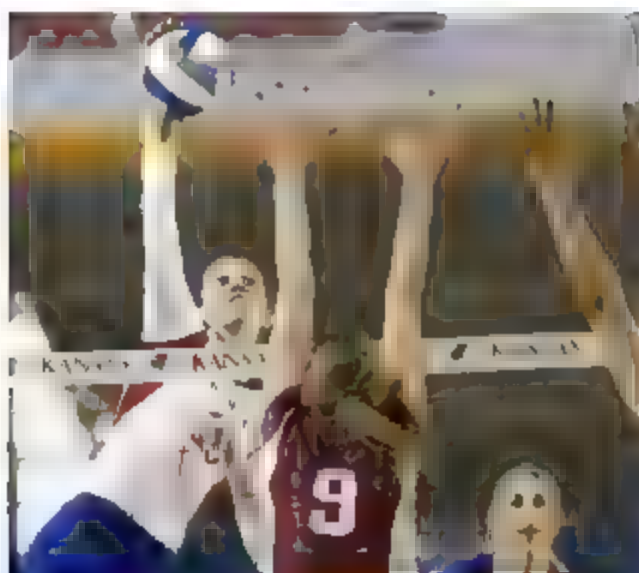

"The two seniors that we lost were huge losses with both being four-year starters," Bechard said. "Sometimes you lose a lot in terms of numbers (of people), but not as much in volume (statistics) and we lost a big-time amount of our attack. Chelsea was our most physical blocker, both of them led us in kills, but we have some kids maturing into roles that we think will take away some of that strain of losing those two."

Meaning, even with a major loss, the Jayhawks are still equipped to handle the workload from the pins. Tiana Dockery returns for what will undoubtedly be a stellar senior season. She earned All-Big 12 Second Team accolades last fall thanks to her 200+ kills and 150+ digs, and is one of three Jayhawks who participated in the U.S. Collegiate National Team (CNT) program this summer. While there, she powered her CNT Blue Team to a championship title with a team-high kills mark in each match.

Joining her is Madison Rigdon, a sophomore with a powerful swing that Bechard is looking to amplify her role on the offense. As a freshman, Rigdon caught the attention of everyone around her with her crushing jump serve and finished just behind Dockery (2.39) with her 2.18 kills per set.

"You've got Dockery, who has played a bunch and you've got Rigdon, who was in and out last year but certainly played a lot this spring," Bechard said. "(Ashlyn) Driskill is kind of the unknown a little bit. We haven't seen her as much, but we need her to have a good year. Ashley Smith is another talent, but will she be ready to compete at this level right away? We're looking forward to finding out. Of course, it's terrible luck for Patricia Montero and her ACL tear, but she will be ready to go for us next season."

Opposite Rigdon and Dockery, Bechard and associate head coach Laura "Bird" Kuhn

MIDDLE BLOCKERS

RETURNED

Taylor Soucie, Jr. Janae Hall, Jr. Kayla Cheadle, Sr.

LOST

Katie Payne, Jr. (2013-14)

made the decision to move sophomore Keisie Payne from middle blocker to right side. Payne was vital piece of the Jayhawks' success in 2014, hitting .341 for the year with more than two kills (2.05) and one block (1.06) per set.

"She's going to have a great, great year," Bechard said. "I really think she will. We lost the right side and the left side, so to soften that a little bit we moved Payne. Of course that affects the middle blocker group, but the outside position I feel good about."

Driskill is set to go for her only season with Kansas. After three solid years at Wichita State, Driskill totaled more than 700 kills and three winning records. Though she transferred to KU to follow her medical school aspirations and career goal of becoming a surgeon, Driskill will likely find the volleyball aspect equally compelling.

One of two freshmen, Ashley Smith is a Las Vegas native with multiple successes at Shadow Ridge High School, including playing for a state championship for the

first time in school history. At Media Day (Aug. 19), Bechard announced that Patricia Montero underwent surgery this summer to repair a torn ACL and will not be available to play in 2015.

MIDDLE BLOCKERS

The middle blocking corps has moved away from being one of the deepest positions and instead will be a quality-over-quantity approach in 2015. With Payne moving to the right side, the middles have been thinned to an intricately skilled trio. In the offseason, middle blocker specialist, Laura "Bird" Kuhn was promoted to associate head coach – offering guidance needed to get a smaller group to maintain its elite blocking numbers in the Big 12.

Leading the way is junior Tayler Soucie, who led the Big 12 in blocks per set (1.40) last season just one year after breaking the KU record for total blocks in a freshman season (135). Not just a defensive stud, Soucie starts the 2015 season with the Jayhawks' best all-time career attack percentage (.333).

Janae Hall, entering her junior season and fourth year with the program, played a big role last fall. She started a career-high nine matches and tripled her kills output from the 2013 campaign. The youngest of the group, Kayla Cheadle returns in hopes of completely breaking out in year two. She started the first 15 matches of the year, compiling two kills per set and a team-best 354 attack percentage.

"We went from a very deep group to now, of those three, we've got have two really good performances every night," Bechard said. "That means Cheadle taking on a different role, Janae taking on a different role and hoping Soucie continues to play at the level she has been playing. That doesn't preclude Payne getting some time there if people don't step up, but I think one of our keys to success this year is how that

group of three will come together and work their butt off. Janae's experience, Soucie's experience and Cheadle played first 15 matches of the year last year and played well. We are hoping that between freshman and sophomore year, which is the case many times, there is a big jump for her."

SETTERS

The smallest group will likely be the most influential one in 2015. Bechard has made note of the fact that Maggie Anderson, starting her junior year and fourth season with the program, is one of the voices he expects to hear most often.

"I love Maggie Anderson and the way she goes about her business every day," Bechard said. "I think we can lean on our sophomore class this year to be more proactive in the leadership regard, but Maggie is pretty unconditional in her effort and attitude and type of teammate she is each and every day."

"Cassie Wait is along those lines also," Bechard continued on about his team leaders. "Tayler Soucie is continually trying to improve on her presence and certainly

she has the work ethic, the attitude and the commitment. Plus, Tiana Dockery is in her fourth year – not that anything is given to a fourth-year senior – but I think she has the opportunity to relay a lot of the experiences she has been through and help people in situations."

Another that certainly must be mentioned is floor general and returning starting setter, Anise Havili. The Fort Worth, Texas native earned herself AVCA All-America Honorable Mention honors in 2014 along with Big 12 All-Freshman Team recognition – for good reason. She broke the KU freshman record for assists (1,332), which also happened to lead every setter in the conference. Still going, she averaged more than 2.5 digs per set, totaled 50 blocks and led the team in service aces (33)

In the offseason, Havili was the youngest Jayhawk selected to play for U.S. Collegiate National Team in New Orleans. Bechard has enjoyed watching her grow into an elite college player and thinks her freshman year wasn't the half of it

"As a freshman to come in and for us to say, 'Hey we need you to lead our team and be great in everything you do.' That's a lot to ask, obviously, but she was a stud about it."

Though Havili is expected to reprise her starting role, Anderson continues to be a vital part of how the Jayhawks set the tone. She served the ball nearly 300 times last year, often times "cold" off the bench, and nailed her aggressive serving orders. If needed, the veteran head coach is certain Anderson could handle the setting workload.

"You gotta talk about Maggie Anderson, because no one drinks the Kool-Aid quite like she does," Bechard said. "And there's nothing fake about it. She really loves her team. She loves what KU volleyball stands for. That group, those two setters right there, are pretty good examples of young ladies we really want to coach."

DEFENSIVE SPECIALISTS

Depth is the name of the game with the Jayhawk defensive specialists. With everyone returning and a senior transfer coming on board, the biggest challenge for Bechard and his staff will be identifying which members of this group jump out to them on any given day. A good problem to have as all five have late-game, high-pressure experience already in tow.

Paving the way for the littles is junior Cassie Wait. The former Kansas Gatorade Player of the Year, Wait put on a stellar performance as the starting libero in 2014. Bechard consistently refers to her as the toughest player on the team. Last fall, she became just the third Jayhawk to surpass 500 digs in a season as her 561 ranked second-most all time at KU.

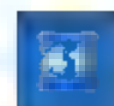

"Cassie was as good as anybody last year and there is no reason why that shouldn't continue," Bechard said. "We need Addie Barry, Tori Miller and Claire Carpenter, all of whom got extended time this spring,

to make a difference. Obviously, Anna Church has had a lot of experience and will contribute to that group."

Wait's numbers and sheer refusal to let the ball hit the ground has her in position to reclaim libero duties. The other defensive starters, however, are still anyone's game. Church comes in with the most experience, racking up more than 1,000 digs at Saint Louis University prior to transferring to Kansas for her senior season.

From there, the rest of the crew are underclassmen, but that doesn't take away from their effectiveness. Barry played in all 31 matches last season, tallying 150 digs. Miller also checked in to every match, while Carpenter was called upon in clutch serving situations as she proved her ability to keep her cool in late-game pressure.

"Somebody's really got to push Cassie to bump her out of that spot – and we hope that's the case that somebody will," Bechard said. "Of the other four, we can play two maybe three consistently. We will develop them all. We know that all five of them will have their moment sometime during the season, but we need consistency out of two or three of them so we can play at a high level."

Ray Bechard will enter his 18th year as the head coach of the Kansas volleyball team in 2015, continuing the steady transition of guiding his program from successful to significant. In 2015, Bechard and the Jayhawks are looking to add 'unprecedented' to the list as they embark on the goal of earning four-straight NCAA Tournament bids for the first time in program history.

The winningest coach in Kansas volleyball history and two-time Big 12 Coach of the Year (2012, 2013), Bechard will begin the 2015 season just five wins away from his 300th victory at Kansas. This comes just one year after he collected his 1,000th career win in 2014. Both milestones place him among elite company, with the upcoming one making him at second among active Big 12 Conference coaches.

Since his arrival on the coaching scene 31 years ago, Bechard spent 13 seasons on the sidelines of Barton County Community College in Great Bend, Kansas, before taking over the reins at Kansas. At both stops, Bechard has compiled a remarkable all-time coaching record of 1,011-286 (.780 winning percentage).

In 17 seasons at Kansas, Bechard has led the Jayhawks to a 295-226 mark (.567) and 13 seasons at 500 or better. In all, the veteran has coached 30 All Big 12 selections, seven All-Americans, eight AVCA Team Academic awards and 105 Academic All-Big 12 honorees.

Additionally, Bechard has built a solid fan base for Kansas volleyball as the Jayhawks have consistently finished among the nation's top-30 attendance leaders the last three years. In 2012, more than 1,300 fans attended each home match on average, to rank 29th in the NCAA in attendance. When KU hosted the NCAA First and Second Rounds in 2012 in Allen Fieldhouse, the Lawrence, Kansas, host site drew more fans in the two-day event than any other national host (8,029). Last fall, KU broke its home sell-out record (7) and ranked 31st in the NCAA in attendance.

All six NCAA Tournament appearances occurred in the Bechard era and every postseason trip breaks

new ground. In 2014, the Jayhawks earned their third-consecutive national seed (No. 16) in the NCAA Tournament. Even with Allen Fieldhouse unavailable, the committee still awarded Kansas a hosting opportunity. KU hosted the First and Second Rounds in Topeka, Kansas.

Not only did the 2014 season play witness to Bechard's 1000th career victory, but Kansas continued its tear through the Big 12 standings. KU overcame an 0-3 start in league play to storm back and finish the year tied for second in the conference. Prior to 2013, Kansas had never finished as high as second place. Now, the Jayhawks have done so two years in a row.

Bechard and his staff brought in the 15th-ranked recruiting class in 2014 to compensate for the seven seniors lost in 2013. In the class included Big 12 Preseason Player of the Year and Women's Junior National Team member Anise Havili. The setter was no joke, breaking the KU freshman

assists record, simultaneously leading the league. She and Kelsie Payne, who averaged more than a block per set and hit .341, were awarded Big 12 All-Freshman Team honors. Havili also became KU's first freshman to earn AVCA All-America Honorable Mention honors.

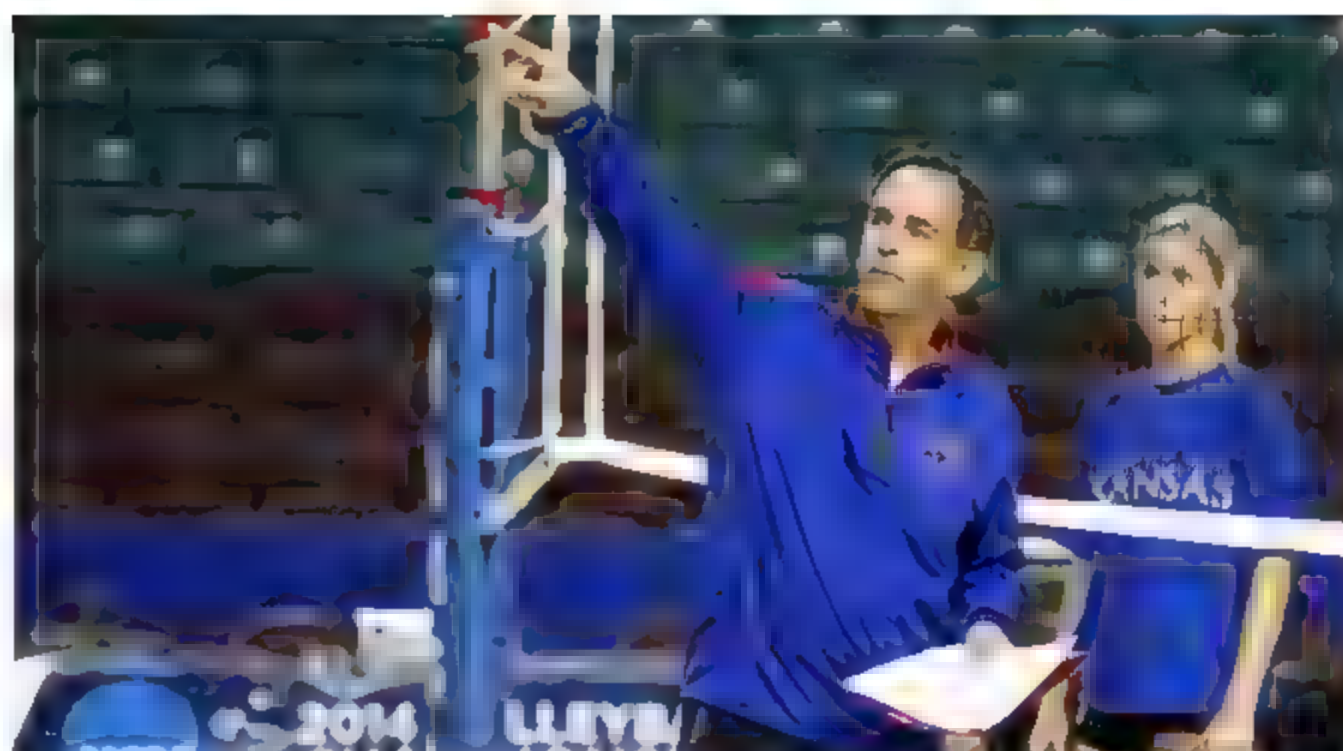

At the conclusion of the season, Bechard said goodbye to a pair of two-time All-Big 12 First Team seniors Chelsea Albers and Sara McClinton. Together, the duo garnered four winning seasons and 88 victories - the most by a KU senior class. While McClinton ended her career with the sixth-most kills in KU history, Albers earned AVCA All-America Honorable Mention recognition.

After starting the year ranked on the preseason poll, the Jayhawks were ranked or receiving votes 10 times in 2014. Against the sixth-toughest schedule in the NCAA, Kansas squared off against perennial powerhouse Penn State for the first time in program history and defeated Sweet 16 American University in the same tournament. They swept Kansas State in Manhattan for the second-straight year. Once again, KU matches aired on Time Warner Cable SportsChannel, ESPN and Fox Sports. Bringing volleyball into the national spotlight is a major source of pride for the veteran Jayhawk coach.

Following a special 2012 season that saw KU break the winningest season record with a .788 winning percentage (26-7) and finish the last half of the year ranked in the top 25, Bechard immediately instilled his "successful to significant" philosophy. The mindset spread quickly throughout the team - and has caught on through 2013, 2014 and beyond.

By 2013 season's end, Bechard and the Jayhawks achieved their highest Big 12 finish in league history (2nd, 12-4), broke the school's hitting percentage record (.254), swept in-state rival Kansas State for the second-consecutive season and saw four different players reach All-America status. Senior middle blocker Caroline Jarmoc, the program's first All-America selection in 2012, earned the honor for a second-straight season in 2013 from the AVCA. Alongside her were teammates Erin McNorton, Albers and McClinton, each of whom earned All-America Honorable Mention recognition.

Known for primarily working with the setters, Bechard was rewarded indirectly when McNorton

transformed from a walk-on into the Big 12 Setter of the Year in 2013. A true leader, Bechard was happier for McNorton's accolade than his own when he was named the Big 12 Coach of the Year and the AVCA Midwest Region Coach of the Year for the second time in as many years to conclude the 2013 regular season.

Ranked No. 20 in the early poll, the Jayhawks entered the 2013 season with nine of their first 10 matches on the road. The loaded slate included home-and-home matches against defending national champion Texas and three other Big 12 teams that reached the NCAA's in Iowa State, Kansas State and Oklahoma. In addition, the Jayhawks squared off against Notre Dame, Arkansas twice, Creighton, Central Arkansas and Bowling Green, all of whom played in the 2012 NCAA Tournament.

Kansas ran with it, racking up a 10-4 record away from home, including true road victories against Arizona (RPI: 20), Iowa State (RPI: 21), Arkansas (RPI: 40) and a comeback win at National Runner-Up Wisconsin (RPI: 15). Aside from attack percentage, the Jayhawks also broke the program record for block assists in a single season (522) and tallied the fourth-most kills (1,801) and second-most assists (1,694) in program history. The Jayhawks led the Big 12 in assists (13.55) and kills (14.41) per set, which ranked 12th and 15th in the NCAA, respectively.

After falling to No. 3 overall, seeded Washington in

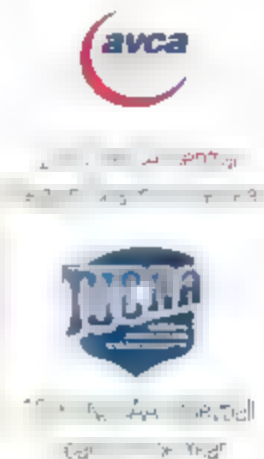

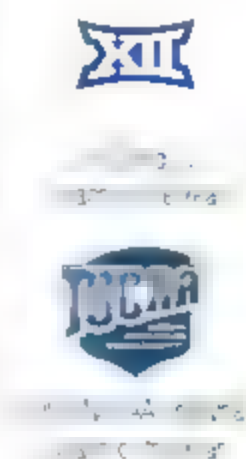

the Sweet 16, KU ended the 2013 season ranked No. 17, tying the highest ranking in program history. Kansas also finished at No. 12 in the final RPI, making it a solid two years since the Jayhawks have been outside the NCAA's top-20 in the RPI.

In 2012, the Jayhawks collected the most home victories in a season (17), along with the program's longest home win streak (13), while compiling a third-place finish in the Big 12 Conference (12-4). KU also earned the team's highest-ever national ranking, checking in at No. 17 on the AVCA Division I Coaches poll (10/22/12). The Jayhawks remained on the top-25 poll for the remaining eight weeks of the season and checked in at No. 25 on the final poll.

When the NCAA released its first RPI projections of the 2012 season, KU debuted at No. 9 and would later climb to a program-best No. 6 RPI ranking on Nov. 19, 2012. The Jayhawks were in the top-10 RPI for seven of nine weeks and ended the season at No. 9 in the final projections of the season.

Also in 2012, Bechard guided Jarmoc to Second-Team All-America honors, the first All-American in Kansas volleyball history. Among many accolades from that season was senior middle blocker Tayler Tolefree winning the inaugural Big 12 Volleyball Scholar-Athlete of the Year award.

Prior to the 2012 season, Bechard completed his second stint with Team USA Volleyball. Bechard was one of eight collegiate coaches selected by

USA Volleyball to lead the U.S. Women's National A2 Team Program at Ohio Dominican University in Columbus, Ohio, June 26-July 5, 2012.

In 2011, the Jayhawks posted their best start at 11-1 since the 2002 season, including three per-conference tournament titles and knocking off No. 6 Minnesota, the highest-ranked opponent defeated in program history. Of the Jayhawks' all-time wins against top-25 foes, all but one came under Bechard's direction. Jarmoc and Toefree each checked in at top-five in the Big 12 in individual blocks per set. Bechard also witnessed Alison Mayfield lead the conference in kills per set on her way to becoming KU's all-time leader for kills in a season (462, 2011). The Jayhawks spent three-straight weeks receiving votes on the AVCA Top-25 Poll in 2011.

In 2010, Bechard and company brought in the 26th-ranked recruiting class according to PrepVolleyball.com. Kansas posted a 17-14 record. Those 17 wins resulted from an intense schedule that included six nationally-ranked opponents. In the Jayhawks' 31 matches, 14 of them paired Kansas against teams that went on to play in the NCAA Tournament. A year after his 900th career victory milestone in 2009, Bechard notched his 200th career win at Kansas during the 2010 season.

His players routinely exhibit Bechard's belief in being dedicated on the court and in the classroom. Aside from winning the AVCA Team Academic Award for seven consecutive years (2005-12), Bechard's squad is always in the running to lead the Kansas Athletics department in team GPA. In 2011, KU tied the conference record with 10 student athletes named to the Academic All-Big 12 team. In 2012 and 2013, all eight of KU's Academic All-Big 12 honorees were named to the First Team.

Mayfield and Toefree were CoSIDA Academic All-District honorees in 2011, while Karina Garlington was a two-time *ESPN The Magazine* Academic All-District honoree in 2008 and 2010. In 2008, Bechard's team enjoyed national recognition

when Garlington was named the school's second AVCA National Player of the Week on Nov. 10. What's more, Nicole Tate earned 2008 Big 12 All-Freshman team honors.

During the 2007 season, Bechard and his team put together a 3-2 upset over No. 18 Oklahoma, the sixth-straight season KU upset a ranked team, and a four-game victory against tournament-bound Missouri State, which made Bechard the winningest coach in KU volleyball history. The Jayhawks also picked up a win at Missouri, marking their first road win in Columbia since 2001. The 2007 season saw the graduation of standout Emily Brown, who left her name littered all over the KU record books as she became the first Jayhawk to reach the 1,000 milestone in kills, digs and assists, while also landing on five top-10 career lists.

In 2006, KU picked up a Preseason Big 12 Newcomer of the Year selection in Natalie Uhart. Uhart later suffered a season-ending injury prior to the team's first contest and that seemed to set the tone for the year as the Jayhawks were hampered with injuries over the course of the season. However, the team still collected several accomplishments, including a tournament title at Temple to start off the year. In addition, the team dug up 15.81 balls per game, its highest dig average since the 2001 season.

Bechard led the Jayhawks to a 15-15 overall record in 2005 and their third-straight postseason appearance. Despite a depleted roster due to injuries, KU battled No. 16 UCLA to four games in Los Angeles in the NCAA Tournament First Round. The 2005 season also saw the careers of three talented seniors, Josi Lima, Paula Caten and Andi Rozum, come to a close. Caten became KU's first Academic All-American in volleyball, while Lima, KU's only four-time All-Big 12 First Team selection, finished her career as the Jayhawks' all-time kills leader and one of the most prolific volleyball players in school history. Rozum's name still sits at the top of the career assists list. In addition to his team's achievements and the individual successes of his

seniors, Bechard reached a significant milestone on Sept. 10, 2005, when he coached his 1,000th career match. The Jayhawks commemorated the milestone by defeating visiting Michigan State 3-0.

In 2004, KU returned to the NCAA Tournament for the second-straight season and fell just short of a Sweet 16 appearance. The Jayhawks defeated Santa Clara, 3-1, before failing to host Washington 3-2, in second-round action. KU came back from a two-game deficit to battle the Huskies, who advanced to the Final Four and then won the National Championship in 2005. In addition to the Jayhawks' return to the postseason, KU enjoyed its first national ranking on Sept. 13 when Kansas came in at No. 24 in the *USA Today*/CSTV Top 25 Coaches Poll. A week later, Kansas reached its highest national ranking (No. 21) in the poll.

The 2003 season became another celebrated year as KU achieved the most victories since 1991 (22) and the fourth most in program history at the time the most conference wins in school history (13) and the highest finish in the conference race (tied for third) since joining the Big 12 in 1996. The greatest highlight of the 2003 season came when Bechard and the Jayhawks were invited to participate in the NCAA Tournament for the first time in program history. KU shocked powerhouse Long Beach State by sweeping the 49ers, 3-0, in First Round action before failing to host No. 4 Pepperdine, 3-1, in the NCAA Second Round in Malibu, California.

Bechard also reached two significant coaching milestones in 2003 as he recorded his 800th career victory and 100th win at Kansas. Since his arrival at KU, Bechard's teams have been making their mark in the KU record books, sitting atop numerous career lists. Bechard has helped develop the play of several standout players, including Lima, who took home All-Big 12 First Team honors all four years, as well as the 2002 Big 12 Newcomer of the Year award as a freshman. Lima, KU's all-time kills leader (1,483), joined middle blocker Amanda Reves (1996-99) as the two players to earn first-team league honors under Bechard. Lima also

BECHARD VS OPPONENTS

became the first player in KU history to be named to the AVCA All-Region Team in 2003.

Katie Marbnich was named the Big 12 Sports person of the Year for the 2007-08 academic year and Jennifer Kraft (1999-2002) earned the Big 12 Defensive Specialist award in 2002, while Ashley Michaels (2001-04) was an All Big 12 Honorable Mention selection for two-straight years. Jill Dorsey, a 2004 graduate, led the Big 12 in her senior season with 4.64 digs per game and left KU as the all-time career digs leader (1,338), a record that has since been broken by KU alum Brianne Riley. Michaels concluded her KU career as the program's leader in attack percentage (.317) and finished second behind Reyes in block assists (324) and blocks per game (1.03).

Bechard came to KU after spending 13 years as the head coach at Barton County Community College in Great Bend, Kansas. After a stellar coaching career at BCCC, Bechard was inducted into the National Junior College Athletic Association Volleyball Hall of Fame in 1998. In 13 seasons at Barton County, Bechard posted a career record of 716-60 (.923 winning percentage) and coached 23 Academic All-Americans. He completed his career at BCCC with the highest all-time winning percentage among junior college/community college coaches and ranked fourth all-time with 716 career wins. Twice (1990 and 1993) Bechard was named the AVCA National Junior College Coach of the Year, and he was selected the AVCA District IV Coach of the Year 12 times.

In 1995, he was an assistant coach for the USA Volleyball Youth National Team which won the Slovakian Cup Championship in Zilina, Slovakia. Bechard, who was the only non-Division I coach on the staff, coached alongside TCU's Sandy Troutt and Penn State assistant Ern Tomblin. The team competed against youth teams from Poland and Slovakia.

Bechard began his coaching career when he served three years (1980-83) as head coach of the girls' volleyball team and the boys' basketball team at Lewis High School in Lewis, Kansas. The first sign of his coaching talent was evident as he directed LHS to a pair of conference titles on the volleyball court.

A member of the American Volleyball Coaches Association, Bechard served as president of the organization in 2010. He was also a member of the board of directors of the AVCA from 1992-98 and has presented at the AVCA National Convention on two different occasions. Bechard was also president of the NJCAA Volleyball Coaches Association from 1989-92.

A native of Grinnell, Kansas, Bechard played basketball at Barton County, where he helped the Cougars to a 45-13 record in his two seasons. Following his junior college playing career, Bechard attended Fort Hays State University where he graduated with a bachelor's degree in physical education in 1980. Two years later, he received his master's degree in physical education from FHSU.

Bechard is married to the former Pamela Brown. The couple has two children. Their daughter, Ashley, was a KU letterwinner in volleyball from 2001-04, and married Erik Henkelman in 2011. Erik and Ashley had a baby girl named Evelyn (Evie) in July 2014, the first grandchild for Ray and Pam. Their son, Brennan, who played on the Kansas men's basketball team from 2007-09, is now the men's basketball director of operations. The Bechard family expanded again when Brennan married Danielle Hayes in 2014.

LAURA "BIRD" KUHN

POSITION	
EXPERIENCE	
ALMA MATER	
HISTORY	

Laura Kuhn, known affectionately as "Bird", will begin her fifth season at Kansas in 2015, and her first as the Jayhawks' associate head coach. The former Georgia Tech standout was named a volleyball assistant coach for the University of Kansas on March 22, 2011. She was promoted to associate head coach on Jan. 16, 2015.

She joined the coaching ranks following her playing career (2001-04) and arrived in Lawrence after spending three years as an assistant at Miami (2008-10). She has also made stops as an assistant coach at Appalachian State and Florida State.

Kuhn's impact is unquestionable. After her first year at Kansas, she helped head coach Ray Bechard to Big 12 Coach of the Year awards in back-to-back seasons (2012 and 2013). Bechard, who also celebrated AVCA Region Coach of the Year honors in the same seasons, made it a point to thank Kuhn and

fellow assistants Todd Chamberlain and Wendel Camargo, giving his staff just as much credit for the prestigious accolades.

Kuhn also took part in coaching success with former bosses. Appalachian State head coach Matt Ginipro earned Southern Conference Coach of the Year honors in 2007, Kuhn's only year with the Mountaineers. After her first season at Miami, Kuhn saw Hurricanes' head coach Nicole Lantagne-Welch earn 2008 ACC Coach of the Year and AVCA Region Coach of the Year honors.

As the Jayhawks' recruiting coordinator, Kuhn rarely has her phone off, working around the clock to get potential players excited about becoming Jayhawks. She led the charge of KU's 15th-ranked recruiting class of 2014, which included high-profile Texas recruits Kelsie Payne, Madison Rigdon and Amise Havili. One of two setters on the USA Women's Junior National Team, Havili earned postseason accolades on the Big 12 All-Freshman Team and the AVCA All-America Honorable Mention team.

It's not possible to list Kuhn's strengths without mentioning her integral role in the Jayhawks' training. She works primarily with

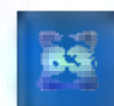

the middle blockers, and her effect is easy to see. The Jayhawks have watched their blocking numbers soar to the top-tier of the Big 12 in each of her seasons at KU. In 2012, the Jayhawks racked up 2.62 blocks per set, good for second in the conference and 31st in the NCAA. Also in 2012, the Jayhawks recorded 492 block assists, the most by a KU team since 1996. A year later, in 2013, the Jayhawks broke the school single-season record with 522 block assists.

In 2014, Kansas' middle blocking corps dealt with the departure of its all-time blocks leader and two-time All-American Caroline Jarmoc. With Kuhn's guidance, Kansas still finished third in the league in blocks, while sophomore Tayler Soucie completed the season as the Big 12 blocking leader with 1.40 blocks per set.

KU's blocking trend since Kuhn's arrival is not a coincidence. In all four of her seasons, Kansas has accumulated at least 2.50 blocks per set and more than 285.0 total blocks. No KU teams before that have accomplished either streak for four-consecutive years.

In her first season at Kansas, Kuhn helped the Jayhawks finish the 2011 campaign ranked

third in the Big 12 with 2.57 blocks per set, good for 36th in the NCAA. The Jayhawks recorded nearly 100 more block assists than the previous year's squad – and for the first time since Bechard's debut season in 1998, Kansas out-blocked its opponents (2.6 bps/2.0 bps). Middle blockers Caroline Jarmoc and Tayler Tolefree finished the season ranked second and fifth in the Big 12, respectively, in blocks per set.

By her second season, Kuhn guided Jarmoc to become the first All-American in Kansas volleyball history in 2012. Jarmoc finished the season with 424 kills and 157 blocks, making her the only Jayhawk to surpass 400 kills and 150 blocks in the same season. After ending 2012 ranked in the top-10 among the Big 12 in attack percentage (.386, 1st), kills per set (3.45, 4th), blocks (1.28, 4th) and points per set (4.45, 2nd), the AVCA named Jarmoc to the All-America Second Team.

A year later, Jarmoc was named to the AVCA All-America Third Team. The most decorated player in KU volleyball history finished her career as the program's all-time career leader in blocks (555) and attack percentage (.327). Also in 2013, Kuhn was instrumental in developing Soucie, who broke KU's record for blocks in a season by a freshman (135) and was named the AVCA Midwest Region Freshman of the Year.

Kuhn and the middle blockers continue to take the Kansas defense to new heights. Together, Jarmoc and Tolefree finished the 2012 season ranked in the top-10 among the league's blocking numbers, with both registering more than a full block per set. In 2013, Jarmoc and Soucie recorded the same feat.

Kuhn has guided the Jayhawk defense to new levels, but her increased hand in play-calling has also seen benefits on the offensive side. In 2014, two of her middles ranked in the top five in the Big 12 for attack percentage. Payne registered a .341 efficiency and Soucie hit .326, good for second and fifth in the league, respectively. One year prior, Jarmoc set the Kansas career record with her .327 mark.

While at Miami (2008-10), the Hurricanes advanced to the NCAA Tournament two of the three seasons (2009, 2010) that Kuhn was on staff. It marked the second and third tournament berths since the program was brought back in 2001. At Miami, Kuhn was

instrumental in coaching outside hitter Lane Carico, who became the program's first-ever AVCA All-American in 2010. One season earlier, Carico and Cassie Loessberg were named honorable mention All-Americans under Kuhn's guidance.

In 2008, she helped in the Hurricanes post their best overall record (26-6) since 2002, and the best ACC record in school history going 14-6 in league play. Defensively, the Hurricanes posted the highest digs total (1,958) for a single-season in 2008, while also registering the highest digs per set count in UM history (16.88).

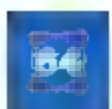

Kuhn arrived at Miami after a stint as assistant coach at Florida State during the 2008 spring season. Prior to her time at FSU, Kuhn was an assistant at Appalachian State. Aside from being a part of the Ginipro's 2007 SoCon Coach of the Year campaign, Kuhn also coached the SoCon Player of the Year, Brittany Zahn.

In her early coaching days, Kuhn served as the head coach for the A5 Club teams in Atlanta. She worked with teams consisting of 17-year-olds in 2006 and as an assistant with the 14-year-old club in 2005.

During her four years playing at Georgia Tech, the Yellow Jackets won three ACC regular season championships, one ACC tournament title and advanced to the NCAA Tournament

in each of her four seasons. The teams advanced to the Sweet 16 in 2002 and 2004, and charged their way to the Elite Eight in 2003. Kuhn played the right side position her final three years at Georgia Tech, starting all three seasons.

A native of Tiffin, Ohio, Kuhn was a two-sport star at Calvert High School, where she excelled at both volleyball and basketball. While in high school, Kuhn earned Junior Olympic All-America honors for the Toledo Volleyball Club in 2000. Kuhn earned a Bachelor of Science degree in business management from Georgia Tech in 2005.

HISTORY

In his role with the outside hitters, Chamberlain guided 2014 seniors Sara McClinton and Chelsea Albers into two of the most lethal attackers in the Big 12. The duo became the first hitters in KU history to reach All-America status with AVCA All-America Honorable Mention recognition in 2013. Both were named to the All-Big 12 First Team, the second-straight season for McClinton and the first of two times for Albers.

In 2013, Albers became the first Jayhawk to rack up 300+ kills, 200+ digs and 100+ blocks in a season since 1993. The previous fall, McClinton became just the fourth Jayhawk volleyball player to break the 600-kill plateau in only two seasons (601, 2011-12). By the end of the 2014 campaign, McClinton went on to rank sixth all-time at KU in kills, while Albers was just the seventh Jayhawk in history to post 900-career kills and 800-career digs.

Fellow outside hitter, Tiana Dockery, begins her senior year in 2015 as another decorated player. She was named to the 2012 All-Big 12 Freshman Team after surpassing the 150-kill (162) and 150-dig (177) mark as a rookie. In 2014, she was named All-Big 12 Honorable Mention. In July 2015, Dockery was the

biggest piece of the U.S. Women's College National Team. She led the squad in kills for three-straight wins and a CNT Tournament championship in New Orleans.

In 2013, the team broke the program record with a .254 attack percentage. For the first time in Big 12 history, KU led the league in kills (1,801) and assists (1,694). Kansas was the only team in the league that registered more than 14 kills per set as the team's 14.41 average ranked 15th in the NCAA.

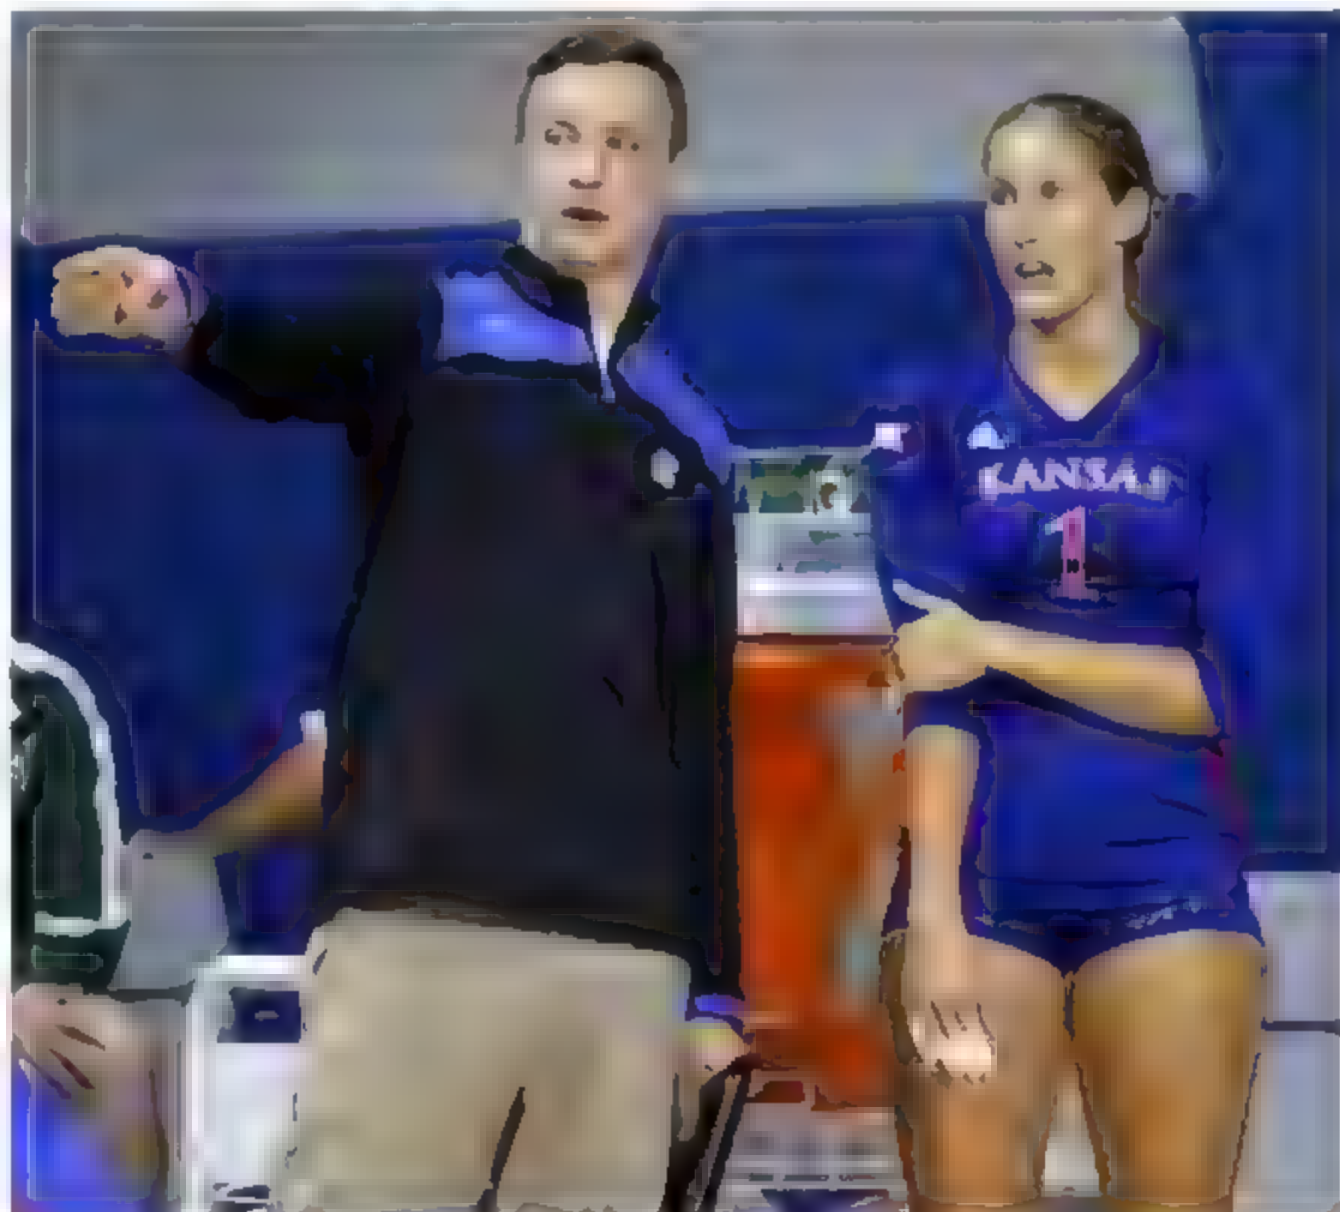

The previous season, Chamberlain helped the team to a .238 attack percentage in 2012, the fourth-best in school history. Not even national champion Texas registered more kills among Big 12 teams than the Jayhawks' 1,738 in 2012, which also checked in among KU's top-five all-time numbers. With that, the Jayhawks averaged an efficient 14.13 kills per set, good for third among league foes and 34th in the NCAA.

In 2011, Chamberlain helped outside hitter Allison Mayfield turn in a Big 12-best 4.16 kills per set en route to becoming the Jayhawks' all-time kills leader in a single season (462). Mayfield was later named to the All-Big 12 Honorable Mention Team. In 2010,

Todd Chamberlain will enter his sixth year as an assistant coach at Kansas in 2015. At KU, Chamberlain works primarily with the Jayhawks' outside and right-side hitters, but is a major component to the team's overall training. He serves as the team's video coordinator, camp director and compliance liaison, while assisting with recruitment.

In two of Chamberlain's five seasons, he has helped head coach Ray Bechard earn the Big 12 Coach of the Year award (2012, 2013). Upon receiving the award, Bechard thanked Chamberlain and fellow assistants Laura "Bird" Kuhn and Wendel Camargo, giving his staff equal credit for the Big 12 and the AVCA Region Coach of the Year honors, which he earned in the same seasons.

The Kansas offense has progressed in each of Chamberlain's years with the program - highlighted by the Jayhawks' leading the Big 12 Conference in kills each of the last two seasons. In 2014, KU's 1,627 kills led the league while the team checked in at second in the conference in kills per set (13.79).

Chamberlain's first season, the Jayhawks broke the 1,500-kill mark as a team.

Chamberlain arrived at Kansas following a one-year stint as the volunteer assistant women's volleyball coach at the University of Kentucky in 2009, during which the Wildcats experienced one of the most successful seasons in program history. Kentucky finished 29-5 overall, appeared in the NCAA Tournament for the fifth-consecutive year and advanced to the Sweet 16 for the first time since 1992.

While at UK, three players earned All-America honors, including honorable mention outside hitter Sarah Mendoza. Mendoza finished the season as the Southeastern Conference leader with 4.12 kills per set.

Chamberlain played volleyball for four seasons at Ball State University, where he earned first-team All-Midwestern Intercollegiate Volleyball Association (MIVA) honors as a senior after pacing the squad with 3.29 kills per set. Ball State was nationally ranked for portions of all four of Chamberlain's seasons; the Cardinals compiled a 78-39 (.667) record during those years.

No stranger to the coaching sidelines, Chamberlain has guided several teams to national and state titles. For two seasons Chamberlain worked as an assistant coach under Steve Shondell at Burriss High School in Muncie, Indiana. The Burriss squad captured the 2-A state championship in both 2008 and 2009.

Chamberlain also worked with Mike Lingerfelter as an assistant coach for the Munciana Samurai 18-1 Club team. That squad went on to capture not only the 2009 AAU national championship, but also the 2009 JVDA national championship.

In addition to his collegiate playing career, Chamberlain was a left side attacker on the 2006 Youth National team that played internationally in Cabo Frio, Brazil. In 2007, Chamberlain was a left side attacker for the Junior National training team that practiced at the Olympic Training Center in Colorado Springs, Colorado.

COACHING STAFF

He has served as a camp counselor for camps at Kentucky, Purdue and his alma mater. Additionally, Chamberlain has instructed at elite camps hosted by Saint Louis and the Kentucky-Indiana Volleyball Association (KIVA).

Chamberlain, a native of Louisville, Kentucky, graduated in 2009 from Ball State with a bachelor's degree in communications. He began his volleyball career as a star-athlete at Louisville's Trinity High School.

Lucas Yanez begins his first season with Kansas in 2015 as the volunteer assistant coach. An All-American libero in college, Yanez will work closely with the KU defensive specialists and liberos as well as run the Jayhawk Juniors volleyball program.

Still an avid competitor, Yanez competed in the USA Premier Volleyball League (PVL) in the summer of 2015. He and the Great Lake Lightning, representing the Great Lakes region, finished second.

Fresh out of college, Yanez gained experience from multiple coaching opportunities. In the summer of 2015, he worked at Sport Performance Volleyball (SPVB) coaching all age levels: 14s, 15s, 16s and 18s. He also traveled with the club as the Director of Scouting Operations, assembling scouting reports for future opponents. With SPVB, he guided the 18 Elite, 18 Red and 18 Blue each to win national championships at the 2015 AAU's.

Yanez expanded his reach by working as the master coach in SPVB camps in Louisiana, North Carolina and Illinois for the 2015 camp season.

As a coach at the Santa Monica Beach Club (SMBC), from 2012-13, Yanez mentored high school players on fundamentals and technique on the basis of good sportsmanship. He organized training and helped direct team practices. In July 2013, he coached SMBC in the Boys Junior National Championships.

At his own high school, John Burroughs High, Yanez came back to coach the junior varsity girls volleyball team. Aside from coaching various skills camps and combines, Yanez also worked as a Pac-12, Big West and MPSF official from 2011-13.

He brings to the table an impressive skillset at the Division I level. Yanez concluded the final two years of his collegiate career at Lewis University (Romeoville, Illinois). Named the Midwestern Intercollegiate Volleyball Association (MIVA) Preseason Libero of the Year prior to the 2015 season, Yanez controlled the defense of a Lewis squad that ranked top-five nationally all season. The team received the No. 1 overall national seed in the 2015 NCAA Division I men's volleyball tournament, advancing to the Final Four to

defeat Penn State. Lewis finished the year as national runner-up, falling to Loyola University in five sets (23-21) in the NCAA National Championship.

His senior season performance amassed several accolades, highlighted by the American Volleyball Coaches Association (AVCA) naming him to the All-America Second Team. He also earned Volleyball Magazine All-America Second Team honors and was All-MIVA First Team. He tied the record for the most digs in an NCAA Championship match with 15 against Loyola.

As a junior at Lewis, Yanez was named All-MIVA Second Team after helping his team to a top-five ranking all year, including nine weeks at No. 2 and a week at No. 1.

Prior to his transfer to Lewis, Yanez spent two seasons at the starting libero spot at Los Angeles Pierce College (Woodland Hills, California). Setting a solid foundation for his next stop at Lewis, Yanez earned 2013 Western State Conference MVP accolades.

Yanez graduated from Lewis in 2015 with a degree in sports management. He earned Academic MIVA All-Conference recognition in 2014 and 2015 as well as the Brother David Delahanty Student-Athlete Award in each of those seasons.

Season Review

When seven seniors graduated in 2013 Kansas volleyball said goodbye to its most successful senior class in program history – but never changed its expectations. Armed with the 15th-best recruiting class in the country, Kansas finished second in the Big 12 Conference and earned a national seed in the NCAA Tournament for the third-straight year.

Ready to follow the most successful season in program history, Kansas started the 2014 campaign with its second-straight AVCA preseason ranking No. 22 in the early poll, the Jayhawks set to begin the season down seven seniors from last year's class. Bechard and his staff brought in the 15th-best recruiting class in the country, but the crew of freshmen were forced to grow up quick. Six of KU's opponents were also on the preseason poll, including No. 1 Penn State and No. 2 Texas.

The Jayhawks kicked off the season inside the Horesji Family Athletics Center against Utah Valley. Kansas cruised to a three-set sweep and in doing so, racked up the 700th win in program history. Later that day, Kansas was on pace to start the season 2-0, but a battling Lipscomb team refused to allow it. Kansas dropped the match in a five-set thriller. Following the loss, KU went to work on finishing the first weekend on a good note. Kansas knocked off No. 23 Creighton in the teams' first meeting since KU defeated CU to advance to the 2013 NCAA Sweet 16.

Next on the docket was the Jayhawks' first road trip, traveling to Denver, Colorado, for the Pioneer Classic. Squaring off against Bradley and Sam Houston State,

the Jayhawks swept their first two opponents to reach the championship match against host school Denver. Kansas battled against multiple Denver comeback attempts and handed the Pioneers their first loss of the season.

KU returned home to face neighboring UMKC. A four-set win against the 'Roos provided momentum for the Jayhawks' second road tournament. This one which featured elite competition in Villanova, Yale, American and the 2013 National Champions, Penn State. KU chalked up a series of wins over host-school Villanova, Ivy League Champion Yale and Patriot League Champion, American. Thus, setting up a meeting with the defending NCAA champs. Kansas was overpowered in the first set, but fought the Nittany Lions to two two-point sets before they claimed the win in three.

From there, Kansas hosted the Jayhawk Invitational and faced North Texas, Cleveland State and Arkansas. Kansas swept North Texas in the opening match and the team was set to take on Cleveland State later that night. KU chalked up a four-set victory, but centerstage belonged to coach Bechard. The win marked a new milestone for the Kansas native, as it marked win number 1,000 for his career. Wrapping up the milestone weekend – and non-conference play – KU claimed the Jayhawk Classic crown with a four set win over Arkansas.

Shifting its attention to the Big 12, Kansas began conference play by dropping its first three matches in battle fashion to Oklahoma, Kansas State and No. 2

Shifting its attention to the Big 12, Kansas began conference play by dropping its first three matches in battle fashion to Oklahoma, Kansas State and No. 2

Texas. Looking to right the ship, Kansas traveled to Waco where it picked up its first Big 12 victory over Baylor on the road behind a 19-kill performance from junior Tiana Dockery. After collecting another road win over West Virginia, Kansas came home to defeat TCU. The Jayhawks quickly found themselves sitting at a 3-3 conference record.

Kansas looked to surpass the .500 mark in Big 12 play for the first time, but Iowa State was standing in the way as the Cyclones halted the Jayhawks' hopes with a five-set win in Ames. A quick sweep of Texas Tech at home put KU in position to again try for a winning record in league play, but a five-set loss at TCU resulted instead. Though the loss stung, Bechard still acknowledges that match as one of the turning points of the season. One that lit a fire under his team.

A fire indeed

Kansas got hot with back-to-back wins against Baylor and Texas Tech to finally pull above .500 at 6-5. Fighting to repeat its second-place finish, Kansas had no choice but to keep winning – and in-state rival No. 23 Kansas State was next on the list.

When Kansas and Kansas State met in Lawrence on Oct. 1, it marked the first time in their last five meetings that neither team was ranked. It also marked just the second conference match for half of the Jayhawks. In the 2014 Sunflower Showdown finale, however, Kansas certainly looked all grown up as the Jayhawks tallied their third-straight win in Manhattan – and the second consecutive-sweep. McClinton was unstoppable, drilling 18 kills without a single error. While All-Big 12 Freshman Team middle blocker Kelsie Payne was sidelined with an injury, sophomore Janae Hall stepped in for five blocks to help KU double up KSU's blocking total on the night. With the win, Kansas moved into a tie for third with its rival and held tight to it with a four-set win at home against Iowa State in the following match.

Texas, who would go on to advance to its 10th Final Four in 2014, ended the Jayhawks four-match win streak. The third-ranked Longhorns handed KU its first sweep in Big 12 play in more than two years and just its third over a 73-match span. Nevertheless, Kansas stayed the course and rebounded with a sweep against West Virginia to set up a Senior Day for the ages.

When Oklahoma won the fourth frame during KU's Senior Day on Nov. 29, it meant Kansas would have to face a dreaded fifth set as the Jayhawks entered the regular season finale 0-5 in five-set matches. As Oklahoma raced out to an 8-5 lead before the teams switched sides, KU's fifth-set epidemic loomed. Sara McClinton and Chelsea Aibers said no.

Together, the class of 2014 was responsible for six of the points that Kansas needed to finish the fifth set on a 10-3 run. Not only did that leave the duo with the most wins (88-37) of any senior class in Bechard's 17 years at the helm, it also landed Kansas in a tie for a second-place finish in the Big 12 Conference.

KU's strength of schedule combined with its No. 11 RPI ranking and an impressive 7-3 record in its last 10 matches of the year led the NCAA to awarding the Jayhawks a No. 16 overall seed and rights to host the First and Second Rounds of the tournament for the third-straight season. The difference in 2014 was the venue. With Allen Fieldhouse already locked down for the Kansas men's basketball team to play host to Florida on Dec. 5, the NCAA Volleyball Selection Committee awarded the Jayhawks the ability to host Arkansas-Little Rock at the Kansas ExpoCentre in Topeka.

On a neutral floor rather than the home court advantage in which they'd grown accustomed, the Jayhawks were led by Payne's best match of her collegiate career. She put down a career high 15 kills and another career-best eight blocks. Kansas had multiple standouts on the final box score, but it ultimately wasn't enough to overcome the most blocks by a Jayhawk opponent in more than two years. While the Senior Day match against Oklahoma had finally removed the winless tag in five-set matches, the Trojans won in five to end KU's season and extend their win streak to an NCAA-best 25 matches.

HEAD COACH RAY BECHARD

In reflecting on the season as a whole and if he thinks Kansas volleyball has made more than significant progress:

Last year's team, the expectation was "We've got all of these people back, things should be better and we should make more progress." This year's team had so many unknowns with only half of the team returning. For our team to not take a step back, get a second-place finish in the Big 12, advance to our third-straight NCAA Tournament, was to be considered a great achievement with half of your roster not returning. It's a lot of things. This was a very successful season. Sometimes coaches get a little tunnel vision and put too much emphasis on the last match and what we could've done a little bit different. We felt like if we had played better, then we could have advanced, but I don't think we should neglect everything that happened prior to that match. If you look at it in the big picture, it was a pretty successful season.

In it having success with a roster composed of 50 percent freshmen surprised him:
I think they surprised themselves at times. I was so pleased with how Kayla Cheselle started off the year, she was vital in us getting off to a good start. I was obviously pleased with Kelsie Payne's improvement throughout the year and you can even add in Janae Hall holding us together for the four matches that Payne was out. All Taylor Seaton did was make all-conference and lead the Big 12 in blocking. Chelsea Aibers, Sara McClinton and Tiana Dockery, for the most part, were pretty consistent. Madison Rogers, at times, was our best player on the floor. Then Annie Haven set the all-time freshman record in assists. Cassie Watt elevated and continued our superb play at the libero position and then there were three little freshmen that could come in and help us out at any time. Maggie Anderson was the energy bus that she always is. It was unique in that we had people play roles in which they didn't foresee, but that speaks well for how we could look forward to some opportunities for them in the future.

In his best memories of the season:

It was important to bounce back and beat Oklahoma after losing a tough match in Lincoln. It was important to have success against good teams at the Villanova Invitational and then we played really good volleyball – even when we were 0-3 to start Big 12. A times we played our best volleyball at KU; we have a set here against Texas; we were up 2-1 against TCU. It would have been very easy to say we're done and then there were times when we were really good. We beat Baylor and West Virginia on the road and road wins in this conference are hard to come by. I think that created the momentum we needed and we backed that up with another road win and were 5-0 and quick. We went back-and-forth and couldn't decide if we wanted to go above .500 or not. We had some tough five-set matches that we responded to. Our record in five-set matches was not good, but it got better each time we played one, for the most part. That culminated with an opportunity at home to win second in the league against a good team (Oklahoma). What do you know? It goes well and we find ourselves with a little gap, but we came back and finished out that match. One of the highlights would have to be, beyond that, going right into K-State's home court when they're ranked and there's a great deal to play in that and we go in and dominate that match. It was an important part of who we are. I think that sort of who we are and some of the things we were trying to create here and gain some confidence there, too.

In winning his 1,000th career victory:

There it is. Once again, it's a nice thing in that we played as many matches for so many years at Devco, but you can have as win and we won a lot more than we lost. Just to see it happen over the past few years when there's been a nice sort of a renaissance in the program, it's been good. So I guess if we don't win 25 and 25 in the next two years, we wouldn't be in this position. If you would have told me four or five years ago I would be in a position to win my 1,000th career match in 2014 I would have said, "Wow, we must be doing well." Hopefully the 1,000th win was more about the momentum, and hopefully the credibility we've gained over the last three years.

In it his team has become one of rebuilding instead of rebuilding, even with the losses of seniors Chelsea Aibers and Sara McClinton:

They were one and two in here and it's a significant loss. We also have people coming back like Madison Rogers, and we have newcomers in Ashley Smith and Patricia Newton. That, if we move Kelsie Payne to the right side that means Janae Hall and Kayla Cheselle will be back in the middle, so there's going to be key returners. Those returners are going to have to create more opportunities for themselves. It's tough.

In it the Big 12 Conference: There's a gap right now between first and second and we understand that. We have to figure out, not only how to maintain our position, but to

NCAA Tournament History

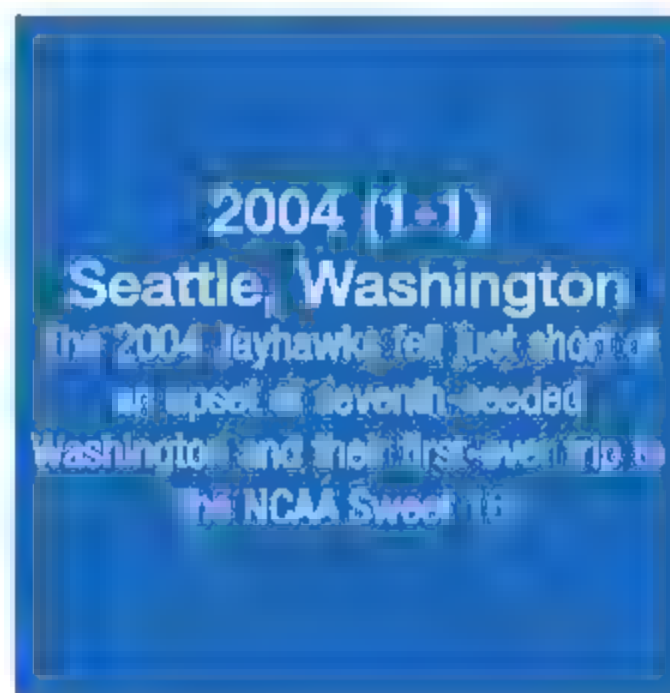

KU SWEEPS LONG BEACH STATE IN NCAA FIRST ROUND

MALIBU, Calif. - The Kansas volleyball team won its first-ever NCAA Tournament match Dec. 4, 2003, as it swept the Long Beach State 49ers (19-11, 12-6 Big West) in the first round. Long Beach State made its 17th-straight NCAA Tournament appearance as KU is 1-0 all-time versus the 49ers.

KU FALLS TO NO. 4 PEPPERDINE 3-1 IN NCAA SECOND ROUND

MALIBU, Calif. - The Kansas volleyball team (22-11) fell to No. 4 Pepperdine (27-2) in the second round of the NCAA Tournament. After winning game one, the third-seeded Jayhawks were outlasted by the top-seeded Waves at the Firestone Fieldhouse on the Pepperdine University campus. The Waves' win was their 25th straight. No. 4 Pepperdine went on to advance to the NCAA Sweet 16 in Long Beach, California.

KU BEATS SANTA CLARA, 3-1, TO ADVANCE IN NCAA TOURNEY

SEATTLE, Wash. - Four Jayhawks notched 12 or more kills and three added double-digit digs as the University of Kansas volleyball team defeated Santa Clara, 3-1, to advance to the second round of the NCAA Tournament. Senior Jill Dorsey led KU with a career-high 31 digs while the Jayhawks' 88 digs marked a season high.

KANSAS FALLS TO NO. 7 WASHINGTON 3-2

SEATTLE, Wash. - Despite coming back from an 0-2 deficit to force a game five, the University of Kansas fell to seventh-seeded Washington, 3-2. The Jayhawks held an advantage in nearly every statistical category, including a season-best 18 0 blocks and 102 digs. The Huskies, 2004 Pac-10 Champions and No. 1 for seven weeks, advanced to the semifinal game and fell to eventual national champion, Stanford.

KU FALLS AT UCLA, 3-1, IN NCAA FIRST ROUND

LOS ANGELES, Calif. - Despite a valiant effort by its short-handed squad, the University of Kansas volleyball team fell to 16th-seeded, 12th-ranked UCLA, 3-1, in the opening round of the NCAA Tournament. The Jayhawks were without starters Andi Rozum (senior setter) and Jana Correa (junior outside hitter), who both suffered season-ending injuries. KU managed with just nine active players in its lineup.

KANSAS ADVANCES, DOWNS CLEVELAND STATE, 3-1

LAWRENCE, Kan. - Sophomore outside hitter Sara McClinton had 16 kills to lead the No. 11 overall-seeded Kansas Jayhawks in a win over Cleveland State in the first round of the NCAA Tournament, 17-25, 25-10, 25-16, 25-18, in front of 3,551 fans Friday night inside Allen Fieldhouse.

KANSAS ENDS HISTORIC SEASON IN 3-1 SECOND-ROUND LOSS

LAWRENCE, Kan. - Three Jayhawks contributed double-digit kills, but couldn't find the rally needed to push No. 11 overall-seeded Kansas past in-state rival Wichita State in the Second Round of the NCAA Tournament, 25-23, 16-25, 19-25, 21-25, in front of 4,478 fans Saturday night inside Allen Fieldhouse. Thus, ending the Jayhawks' historical season at 26-7.

NCAA Tournament History

KANSAS ROLLS THROUGH FIRST ROUND, PASSES WICHITA STATE, 3-1

LAWRENCE, Kan. - Junior outside hitter Chelsea Albers played the role of closer with her career-high 17 kills for No. 23 Kansas as it defeated Wichita State 25-23, 25-19, 20-25, 25-22 in first round action of the NCAA Tournament Friday evening inside historic Allen Fieldhouse in front of more than 4,000 fans.

CALIFORNIA DREAMIN! JAYHAWKS DOWN CREIGHTON, ADVANCE TO SWEET 16

LAWRENCE, Kan. - Junior outside hitter Chelsea Albers couldn't have picked a bigger stage to turn in a career-high 18 kills and 17 digs for her seventh double-double of the season as No. 23 Kansas defeated Creighton in four sets, 25-20, 22-25, 25-22, 25-21 Saturday evening inside Allen Fieldhouse. The win gave the Jayhawks their first-ever berth into the NCAA Tournament Sweet 16.

KANSAS ENDS SWEET RUN AGAINST THIRD-SEEDED WASHINGTON, 3-0

LOS ANGELES - For 45-consecutive matches, 14th-seeded Kansas had not been swept, thanks in large part to the storied careers of the seven-member senior class. KU's historical run to the Sweet 16 saw No. 3-seeded Washington break that streak and bring those careers to a close at the Los Angeles regional semifinal, Friday evening at the Galen Center on the campus of USC, 18-25, 13-25, 24-26.

KANSAS SUFFERS EARLY EXIT TO UALR

TOPEKA, Kan. - Freshman middle blocker Kelsie Payne played the best match of her collegiate career after putting down a career-high 15 kills and another career-best eight blocks. Kansas (22-9, 10-6 Big 12) also had multiple standouts on the final box score, but it ultimately wasn't enough to overcome Arkansas-Little Rock's (30-4, 20-0 Sun Belt) most blocks by a Jayhawk opponent since Creighton tallied 20.0 team blocks in a 3-2 Jayhawk win on Sept. 19, 2012. With the victory, the Trojans extended their win streak to a nation-leading 25 matches.

Compliance 101

UNDERSTANDING THE "RULES OF THE GAME"

With the continued success of Kansas Athletics, the Athletic Compliance Office wants you to understand how you can help KU coaches and student athletes. Institutional control of athletics is a fundamental requirement of NCAA legislation. Specifically, the NCAA constitution provides that each institution shall be responsible for:

- Controlling its intercollegiate athletics program in compliance with the rules and regulations of the NCAA.
- Monitoring its program to ensure compliance with identifying and reporting to the NCAA instances in which compliance has not been achieved and taking appropriate corrective action
- Ensuring that members of the institution's staff student-athletes and other individuals or groups representing the institution's athletics interests comply with all applicable NCAA rules

Under NCAA rules, KU is responsible for all actions of its boosters. Therefore, it is also our responsibility to make you aware of consequences for violating the rules pertaining to permissible booster activity. Boosters found in violation are subject to losing benefits and privileges, including season tickets. In addition, the NCAA Committee on Infractions has required institutions to disassociate boosters who have violated NCAA rules and regulations from the institution.

COMPLIANCE TERMINOLOGY

BOOSTERS. You are a representative of KU's athletics interests, more commonly known as a "booster," if you meet any of the following conditions:

- You are a member of any organization that promotes KU's athletics program (e.g., Williams Education Fund).
- You have made a financial contribution to the KU athletics department or its booster organization;
- You have assisted in the recruitment of prospective student-athletes for KU
- You have provided benefits (e.g., summer jobs or occasional family meals) to enrolled student-athletes.
- You are the parent(s) or legal guardian(s) of an enrolled student-athlete or
- You have, in any way, promoted the athletics program at KU

Remember: Once an individual has been identified as a booster, he or she retains this identity indefinitely. Even if you are not a booster as defined by the NCAA, know that your actions involving student athletes can cause violations of NCAA rules. Something as simple as buying a student athlete lunch at a fast food restaurant is, most likely, a NCAA violation. Please contact the Athletic Compliance Office with your questions regarding impermissible recruiting inducements and extra benefits.

PROSPECTS. A prospective student athlete, commonly known as a "prospect" or "recruit," is any individual who has started classes for the ninth grade. In addition, a student who has not started classes for the ninth grade

becomes a prospect if the institution contacts the student for recruiting purposes or provides the student (or the student's relatives or friends) any financial assistance or other benefits that the institution does not generally provide to all prospective students. In addition, student athletes enrolled in preparatory schools or two-year colleges are considered prospective student athletes.

Remember: A prospect remains a prospect even after he or she signs a National Letter of Intent or Financial Aid Agreement to attend KU. The prospect does not lose this status until the start of classes at the university or until the beginning of official practice prior to the start of classes, whichever occurs first. After classes or official practice begins, the prospective student-athlete then simply becomes a student-athlete.

CONTACT. A "contact" is a face-to-face encounter between a prospect or the prospect's parent, relative or legal guardian and institutional staff member or athletics representative during which dialogue occurs in excess of an exchange of a greeting. However, any such face-to-face encounter on the KU campus or during a KU event that is prearranged, or takes place on the grounds of the prospect's educational institution or at the site of an organized competition or practice involving the prospect or the prospect's high school, preparatory school, two-year college or all-star team, shall be considered a contact, regardless of the content of the conversation that occurs.

TELEPHONE/ELECTRONIC CORRESPONDENCE CONTACT.

The restriction on contact extends to telephone and electronic correspondence. Any contact by you or any other booster, alumnus or other representative of athletics interest via these modes of communication is prohibited. Electronic correspondence includes, but not limited to, text messaging or any application that functions as a text message (i.e. snapchat), email, any social media methods (i.e. Facebook, Twitter), chat rooms and instant message. Telephone contact is any electronically-transmitted voice exchange including, but not limited to, calls and video conferencing such as Skype and Facetime.

RECRUITING. Any contact by you or any other booster, alumnus or other representative of Kansas Athletics' interests for the purpose of recruitment, is strictly and clearly prohibited.

It is not permissible for any member of Kansas Athletics' staff, alumnus or booster to contact a student athlete at another institution for the purpose of recruitment. A student athlete who is attending another institution must receive written permission from their institution before they can have contact with the University of Kansas.

If you know of a prospective student athlete who may want to attend KU, we encourage you to call the appropriate coach. Contacting a KU coach is the only permissible recruiting activity in which boosters may participate.

EMPLOYMENT. It is permissible for an athletics representative or alumnus/alumna to contact a prospect regarding summer employment prior to initial enrollment provided the prospect has signed a National Letter of Intent. However, no contact may be made without approval from the Athletic Compliance Office. In addition, the employment arrangement for the prospect may not begin until the prospect has graduated from high school. If the prospect is attending a two-year institution, the employment may not begin prior to the time that the prospect has officially withdrawn from or has completed the requirements for graduation at the two-year college.

EXTRA BENEFITS. It is not permissible to provide any type of assistance to a prospect — financial or otherwise. A representative of Kansas Athletics' interests or a "booster" may not provide ANYTHING to a prospect, their friends or family, even if the prospect has a signed National Letter of Intent or a Financial Aid Agreement.

STUDENT-ATHLETE. A student-athlete is any University of Kansas student who is a member of a varsity athletics team.

EXTRA BENEFITS. An extra benefit is any special arrangement by an institutional employee or booster to provide a student-athlete or his/her relatives or friends with a benefit not expressly authorized by the NCAA legislation. It is a violation of the NCAA rules to provide an extra benefit to a student-athlete.

OCCASIONAL MEAL. You may provide a student-athlete or a team with an occasional meal at your home. This meal can be catered and you may provide the student-athletes with transportation to attend the meal. All occasional meals must be pre-approved by the Athletic Compliance Office.

Together, the University of Kansas and YOU will make this program a success. These reminders will help guide you and ensure that Kansas Athletics operates within the rules and regulations of the NCAA as we continue toward our ultimate goal of academic and athletics excellence. If in doubt, remember that in most cases any contact with or benefits given to a prospect or an enrolled student athlete or their family or friends is strictly prohibited.
